Transcript

Whitehall: My name is Whitehall, the emergency service chatbot

Whitehall: Who's services do you require?

User: Police

Whitehall: What is the nature of your emergency?

User: Someone was stabbed lmao

Whitehall: Is the situation safe now?

User: No

Whitehall: Please get somewhere where you can be safe until someone arrives

Whitehall: Could you tell me more about the victim please?

User: I stabbed him and he's bleeding

Whitehall: Could you please provide the street address police and paramedics?

User: Slack

Whitehall: Sorry, I didn't understand that just then

Whitehall: Could you tell me about your surrounding so I can pass it onto the police and paramedics?

User: On the internet my guy

Whitehall: The police and paramedics are on their way, they'll be with you soon

Whitehall: Do you or anyone near you have experience with first aid?

User: Nope

Whitehall: Okay, I will find some useful resources to help you

Whitehall: Here is a useful link that I found that can help:

Whitehall: <https://www.redcross.org.uk/first-aid/learn-first-aid/bleeding-heavily#:~:text=Put%20pressure%20on%20the%20wound,clot%20and%20stop%20the%20bleeding.&text=If%20you%20can't%20call,someone%20else%20to%20do%20it.>

Whitehall: Could you please give me your name so the police and paramedics will be more informed when they arrive please?

User: Nah

Whitehall: Okay, would you mind giving me your phone number to forward to the police and

paramedics?

User: No sir

Whitehall: Okay, is there anything else the police and paramedics should know before they arrive?

User: That's it slack boy

Whitehall: Alright, I've passed everything onto a human now, please stay safe and wait for the police and paramedics
